Details:

1. The overweight baggage fees apply to flights between Mainland China, Hong Kong, Taiwan, Macau, India, and the US, Canada, Brazil, as well as flights between Brazil and the European cities.
2. When baggage has exceeded two or three of the aforementioned criteria (overweight, oversized, additional pieces), the charges incurred will be cumulative.
3. According to local Canadian regulations, all checked baggage departing from or arriving in Canada must not exceed 32 kg per piece.
4. The shaded part of this appendix does not apply to VIP members; other items will still be applicable to VIP members.
5. This appendix applies to bi-directional flight routes listed above.

Example:

For the PEK-LAX flight route, Economy Class, 3 pieces of checked baggage weighing 20 kg, 23 kg, 28 kg respectively, one of which is oversized (3 dimensions = 200 cm). When all 3 criteria occur (overweight, oversized and additional pieces), the charges incurred are as follows: 450CNY (1 piece overweight) + 900CNY (1 piece oversized)+ 1350CNY (1 additional piece) = 2700CNY
